CALL FOR APPLICATIONS

Support for Small Businesses and Community Initiatives

Turn your practical idea into action.

DEADLINE: 30 SEPTEMBER 2026

Do you have an idea that could help you start or grow a small business, improve your income, or benefit your community?

The International Organization for Migration (IOM), under the Community Stabilisation component of the EU for Communities Programme, funded by the European Union and managed by the EU Office in Kosovo, invites individuals, groups and associations/cooperatives to apply.

What can be supported?

- Start a small business
- Improve or grow an existing business
- Develop a community initiative benefiting people from non-majority communities and strengthening cooperation

Priority outcomes

Practical ideas that can:

- Create jobs or self-employment
- Increase or sustain income
- Strengthen cooperation
- Support community development

Who is encouraged to apply?

Individuals, groups and associations/cooperatives — especially women, young people, returnees, persons with specific needs and members of non-majority communities. Joint economic activities involving community members, farmers, producers and inter-ethnic business associations are welcome.

How applications will be assessed

- Can the idea work in practice?
- Can it create jobs or self-employment?
- Can it continue after support ends?
- Can it help applicants, families or communities earn income?
